## REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967.

It will help if we follow these simple suggestions:

1. No burning of debris and waste between the hours of 9:00 A. M. and 5:00 P. M. and then only with a written permit from the Forest Fire Warden.
2. Take debris and waste to the town dump.
3. Maintain a clean, safe dump.
4. Keep matches away from young children.
5. Be sure matches and smoking material are dead out when we discard them.
6. Set a good example for others in fire prevention.

District Chief HUBERT C. HARTWELL, JR.

Warden EARLE H. REMICK

## REPORT OF THE PLANNING BOARD

The Planning Board meets, and has met, on the last Thursday of every month. These meetings take place in the Selectmens' Office, and the meetings are open to anyone who wishes to attend.

As almost everyone knows, the results of our attempts to secure a beach for Tamworth residents at White Lake came to nothing. Correspondence which we had with the Governor and Mr. Robertson (of the Governor's Council) led us to believe that our plan to set aside a certain portion of the west side of White Lake was highly satisfactory to the State. Many meetings were held with State representatives, the depth of the lake was measured at various good spots, a roadway was measured and contracted for, a parking space was laid out, and everything seemed to be arranged. At the last minute, however, the State reneged, and offered us what we **thought** was free use of the public beach instead. After a great deal of bargaining, the upshot was that the Town of Tamworth was to pay \$500.00 for the use of the beach, but that this would not include any summer residents. The Planning Committee recommended to the Selectmen to refuse this highly one-sided set-up, which they did.

The Planning Board met subsequently with a representative of the owners of the East side of Chocorua Lake, with the idea of acquiring a strip of land there for the Town. After going over the ground very carefully, and choosing what appeared a very good spot, the other owners apparently did not approve of the idea. The \$2500.00 appropriated for the purpose of getting a beach went back into General Funds.

For two months this winter, various members of the Planning Board have attended the regional planning meetings held at the Brett School. These meet-

ings were most instructive, and we were able to learn the problems besetting the State and its Towns as a result of the tremendous growth in population. Even those of us to whom a Town Plan had seemed superfluous, realized how serious and urgent the situation has become. Last month Mr. David Scott of the Laconia Planning Committee, met with us and brought maps and other material showing what had been done in Laconia—and though it was quite obvious that Tamworth does not need so detailed a plan as theirs, it was easy to see that the time has come for us to implement here what our Mapping Committee has already accomplished.

DONALD HUTCHINS  
Tamworth Planning Board

## TAMWORTH CONSERVATION COMMISSION

The seven members of the Tamworth Conservation Commission have continued to meet regularly once a month during the year. The selectmen were invited to attend the September 29th meeting so that we might bring them up to date and acquaint them with our plans for the future. All three were present. We are grateful for their suggestions and for their interest.

On May 24th four sugar maples, about twenty feet in height, were planted in South Tamworth and Tamworth villages. Earle Remick donated the trees. Commission members John Damon and Elton Perkins were assisted by Jim O'Shaughnessy and also Paul Williams who gave services over and above his duties as the operator of the equipment used. Sixty-three dollars and thirty cents was spent of the one hundred dollars appropriated at last year's town meeting for the planting of trees.

At present a "truss" type foot bridge is being designed by an engineer. This bridge will cross Swift River and lead into the approximate one hundred and ten acres which the State is leasing to the Tamworth Conservation Commission. This tract which will be managed by the Commission, will remain a natural area uncut and unspoiled and the Commission plans to lay out a natural trail through part of it. Last spring at our request several additional acres were graciously added by the State when we discovered nearby interesting "terraces" formed by the River thousands of years ago. As they seemed unique we asked to have them included. The State has now marked off our boundaries. The cost of the bridge is being met by a most generous gift from The Wonalancet Associates. We would like to thank Mr. Theodore Natti, who is the

Director, Division of Resources, and the Chief Forester of New Hampshire, for his cooperative spirit and for his sensible advice.

On December 9th two members of the Commission attended an all day meeting in Concord of conservation commissions from throughout the State. The value of such a conference lies in the information exchanged between the commissions and it was felt by both to have been a worth-while day.

The same two members have also done a bit of "leg-work" having tramped into two quite inaccessible locales which the Commission feels should perhaps be acquired to be left as is for nesting places and natural habitats for birds and other wild life.

We have started to draw up a general conservation plan for the Town and are receiving much appreciated help with this from the Cooperative Extension Service.

## TAMWORTH OUTING CLUB, INC.

### ACTIVITIES REPORT

The Tamworth Outing Club worked hard, again this year, trying to successfully promote sports, in our town, for all ages.

The annual fishing derby, for children 16 and under, ran from May 1st to June 6th. Many young fishermen in town entered the derby catching some beautiful trout and the top winners were awarded prizes for their efforts at an assembly, at school. In conjunction with announcing the dates for the fishing derby, we asked the top grades at school to enter the poster contest. We received some artistic posters with the winner being Ramona Stafford.

The Tamworth Outing Club was proud to sponsor the Little League, a new project for us this year. Whip Farnum did an excellent job of organization and management and had a good, hard working group of coaches assisting him. The players themselves, were a group of earnest, hard slugging boys and we wish for them and their coaches, a very successful season ahead.

The Tennis Clinic was run again this year, for our local children, under the able direction of Kay Hubbell and her assistants. The tournament was run as usual on Labor Day weekend.

The square dances were held weekly at Stafford's-In-The-Field and sponsored by the outing club.

In August, we tried for the first time, a public Ham Supper. The tremendous help we received from everyone made the dinner a huge success and may very well be an annual affair.

The annual trap shoots were held on Sept. 17 & 24 at the Huckins' Field on Great Hill where the spectacular view of Chocorua Mt. makes the afternoons special for hunters and spectators.

The rifle shoot was held in Roberts sand pit, Chocorua, on Oct. 29th. There were moving and stationary targets. Also a special class for our young marksman, one of the most active spots of the whole afternoon.

Reduced season tickets were made available to T. O. C. junior members, that are year round residents of the town, at the Whittier ski area.

The New England Sled Dog Assn. started their racing season at Chocorua Lake again this year, and a beautiful course it was for dogs and drivers. The T. O. C. sponsors this annual event, also.

We received permission to use the Brett memorial tree, in the center of town, for our town Christmas tree this year and a gorgeous tree, it was.

The T. O. C. must thank the townspeople, the Lamworth Foundation, and all who helped us during the past year, to make it possible for our club to sponsor these numerous events. It takes a lot of hard work and support for any group to offer these various activities.

PEGGY TRIPP, Secretary

### COOK MEMORIAL LIBRARY

Many people have helped the Library serve the community more effectively this past year. Fourteen friends of the Library improved the appearance of the front room by patching, washing and painting the walls. At the Christmas season they provided a lighted tree outside and a gumdrop tree indoors. During the summer fifteen Friends arranged for two used book sales and donated the money to the library. From June till September they sponsored hobby exhibits in the library which included kindergarten art, wood-carving, music books, old bottles, napkins, ceramics and coins. Their drive for donations resulted in new book shelves in the children's corner and two new bulletin boards. The cataloguing committee continues to spend several hours each week doing a difficult but very necessary job.

The Tamworth Garden Club again provided attractive windowbox arrangements suitable for the season and hung a handsome wreath at Christmas.

We are most grateful for the many books and magazines given each year and for the continued support of the Tamworth Foundation.

Our records show that our young people are reading more and that general circulation is up 32% over last year. People appreciate the opportunity to use the library on Wednesday evenings.

A new state law requires that all organizations using public monies must hold four open meetings each year. The trustees have complied by scheduling meetings the second Tuesday of February, May, August and November.

The trustees have requested that their number be increased to six in order to deal with the increased work load more effectively.

Respectfully submitted,  
ELIZABETH SPICER Librarian

Treasurer

## REPORT OF TAMWORTH, CANADA - TAMWORTH N. H. EXCHANGE VISITS

On Friday, June 2, 1967 at 5:30 A. M., 33 children from the 7th and 8th grades of the Kenneth A. Brett School left for Tamworth, Ontario, Canada.

This was in nature of a goodwill return trip, in appreciation for the interest shown by 80 school children from Tamworth, Ontario, in coming last summer. The Canadian boys and girls spent three days here in Tamworth just before our 200th anniversary celebration.

This all began as an idea of Dr. and Mrs. Henry Kumm of Chocorua, who visited Tamworth, Ontario last year, prior to our town's bicentennial to explain the "Four Tamworths' Children's art exhibit." The Tamworth School Board appointed a committee to raise the necessary funds and to make the arrangements. This included Charles Remick, chairman; Mrs. Jean Aspinall, Secretary-Treasurer; Helen Ames, Mildred Hobbs, Paul Taylor and Dr. and Mrs. Henry Kumm.

More than half the money needed for this trip was raised by the children. Gifts from the Tamworth Foundation, Bicentennial Committee and Personal Donations made up the balance.

Principal and Mrs. Roger Person accompanied the children, also other teachers were Clarence Blanchette and Miss Donna Ford. Mr. and Mrs. Charles Remick and Jean Aspinall also went on the trip.

Charles Remick conveyed the greetings from the Selectmen of Tamworth to the Lord Mayor of Tamworth, Ontario, at the close of the dance given in our honor the evening before our departure from Tamworth, Ontario. Gifts of the Bicentennial cups and

candy were given to the hosts of our children.

The children enjoyed a very inspiring visit to old Fort Henry in Kingston, Ontario, and had a brief “fling” at Expo '67 on Monday, June 5, before heading home.

Respectfully submitted,

JEAN ASPINALL

Footnote: The Bicentennial cups mentioned above were the gift of a resident of Tamworth, N. H., to each of our children during our bicentennial “In loving memory of her mother, Alice Ethel Holmes Beale, born in London 1877.”

**WARRANT**  
**FOR ANNUAL MEETING**  
**OF TAMWORTH SCHOOL DISTRICT**

To the inhabitants of the School District in the Town of Tamworth qualified to vote in district affairs:

You are hereby notified to meet at the Kenneth A. Brett School in said District on the 16th day of March, 1968.

The meeting will be in two parts:

1. In order that the following five articles may be legally voted upon by Australian Ballot, you are hereby notified that the polls will be open for this purpose from 2 o'clock in the afternoon on said day.

ARTICLE 1. To choose a Moderator for the ensuing year.

ARTICLE 2. To choose a Clerk for the ensuing year.

ARTICLE 3. To choose a member of the School Board for the ensuing three years.

ARTICLE 4. To choose a Treasurer for the ensuing year.

ARTICLE 5. To choose Auditors for the coming year, and to choose five members of the Advisory Committee for the ensuing two years.

II. The meeting will reconvene at 7 P. M. in said School to act upon the following articles and any other business which may legally come before the meeting.

ARTICLE 6. To see what time the polls shall be closed.

ARTICLE 7. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

ARTICLE 8. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the District.

ARTICLE 9. To see if the District will vote to raise and appropriate a sum not to exceed \$2700 to provide additional reading instruction.

ARTICLE 10. To see if the District will vote to use the Town Check List as the School Check List.

ARTICLE 11. To transact any other business that may legally come before said meeting.

Given under our hands at said Tamworth this 26th day of February, 1968.

## PRINCIPAL'S REPORT

September 6, 1967 found 152 pupils at the doors of Kenneth A. Brett School. There were 87 boys and 70 girls and since then four boys have enrolled and now the school has 157 students. Inside the school, the staff had some new members. Mrs. Pauline Merrill was in grade I, Mrs. Judith Goss in grade IV and Mrs. Barbara Benoit teaching English in grades VI, VII and VIII. The other assignments were: Mrs. Dorothy Remick, grade II; Mrs. Joyce Perkins, grade III; Mrs. Helen Davidson, grade IV; Mr. Roy Boon, Social Studies and Science in grades VI, VII and VIII; and Mr. Roger Person, Principal, Mathematics and Science in grades VI, VII and VIII. The part-time staff consisted of Mrs. Eleanor Taylor, French grades IV through VIII, and Mrs. Jean Fickett, Music Supervisor in grades I through VIII.

This year we have been fortunate to have the services of a Speech Therapist, Mrs. Joanne Knox, who has worked with about  $\frac{1}{8}$  of our students already. The gains from the program have been seen already as some students have corrected their defects and new students have taken their places. Elementary guidance has been conducted this year under the direction of Mr. Ping C. Wu.

Reading still occupies much of our creative talent time and we are now embarking on a program of individualized reading, on a trial basis. This program is designed to stimulate interest in reading and to allow pupils to get a broader outlook on their world. The use of the library and, in turn, the needs of the library in terms of more books will be a result of the program. of course the real result, we hope, will be better readers at Tamworth.

Our able non-professional staff is doing its jobs in the same efficient manner—Mrs. Ames and Mrs. Street-er as cooks and Mr. Davis as custodian.

This school year has been a smooth one so far and it no doubt is a result of the fine cooperation between the professional personnel, the School Board, the Supervisory Union staff and the many energetic people of Tamworth.

Respectfully submitted,  
ROGER E. PERSON

## ANNUAL SCHOOL HEALTH SERVICE REPORT

The health service report for the school year of 1966-67 for Tamworth is as follows:

Medical Examinations	152	Weights	229
Hemoglobins	49	Inspections	127
Urinalysis	49	Vision Tests	150
Heights	228	Hearing Tests	62
		First Aid	15
Number of defects found			
Ear Wax	1	Poor Posture	5
T & A	1	Nutrition	2
Glands	4	Vision	7
Murmurs	4	Hearing	1

Two pupils attended Orthopedic Clinics sponsored by the N. H. Department of Health, Crippled Children's Services. One underwent corrective surgery for a post polio defect. Special recognition is due the March of Dimes for their assistance.

Sixty-one pupils received Measles Vaccine at the Clinic held February 16, 1967, sponsored by the N. H. Department of Health and Local Health Officer in co-operation with the Board of Education.

Seventy-four took advantage of the Oral Hygiene and Topical Fluoride program held during the month of April 1967.

In March a special educational program toward better dental health was presented too all grades through N. H. Bureau of Dental Health.

The readiness for school program for incoming first-graders was held at Kenneth A. Brett School on June 8, 1967.

Respectfully submitted,

REBECCA P. SANBORN, R. N.

## WHY SPEECH THERAPY?

A child sits silently in his first grade classroom day after day unable to communicate with the other children or the teacher because his speech has not developed as rapidly as the other children's speech. A girl in Kennett High School dreads being called on in class because her hesitant, stuttering speech makes talking so difficult for her. Across the hall another student is straining to catch all that the teacher is saying. This student is handicapped by a hearing loss.

These are just some of the cases in our school union which have been helped through speech therapy. A total of 125 students have been enrolled in this new remedial speech program. The following breakdown shows the number of students enrolled in speech therapy from each school:

Conway — 22	Tamworth — 20
Pine Tree — 10	Madison — 7
John Fuller — 24	Jackson — 3
Kennett — 12	Chatham — 2
Bartlett — 15	Freedom — 10

Defective speech can be defined as speech which calls attention to itself. When a child uses speech that is not normal or that calls attention to itself, a program of speech therapy is necessary. Our goal is to help the child with defective speech attain normal, acceptable speech.

To facilitate this end we are fortunate enough to have some very up-to-date equipment, including one item of special importance — a video tape recorder. This machine is like a miniature T. V. camera in that a child's image can be recorded on tape along with his voice. We then play the tape back so the child can see and hear himself on the T. V. screen.

This has proven invaluable in correcting some children's speech.

Speech difficulties are not something that occur only in other communities to other people's children. We have realized that fact here in School Union No. 9 and have set up an adequate program of speech therapy to help those children who need help in speech.

MRS. JOANNE KNOX  
Speech Therapist

## ELEMENTARY GUIDANCE COUNSELING

As an Elementary Guidance Counselor for Supervisory School Union No. 9 under the Title I Project, I am also a member of the teaching staff; and am concerned with the normal learning development of all the elementary school children in the Union.

Vocational Guidance is a part of my service. I feel that students should be exposed to the world of work, and should be helped to understand their own abilities and interests so that they can make realistic choices. Educational Guidance is closely related to Vocational Guidance and all other types of guidance, individual or group.

In addition to my personal contacts with students and consultations with teachers and parents, I give such tests as the Stanford Achievement Test, the Lorge-Thorndike I.Q. Test, and the State-Wide test for the eighth grades. These I evaluate and correlate in statistical form.

I am also trying to launch research on the effectiveness of the guidance program as regards its value to school children in their learning and developmental attitudes toward school.

MR. PING C. WU  
Elementary Guidance Counselor
